

# CICCHETTI

## La Cappella

### TRATTORIA

Cicchetti (chi-KET-tee) are small, snack size dishes typically served in cicchetti bars in Venice over a glass of wine. It's a great way to eat as you can make a meal of them by ordering several plates which can be shared between friends. The dishes are served in true Italian style, when they are ready from the kitchen, so some will come quicker than others. To fully experience our cicchetti menu we suggest 6-7 dishes between 2 people or choose a dish from each section.
